

Competitive package

The Inter Terminals business is one of the largest independent bulk liquid storage providers in northern Europe, and the largest in Scandinavia, with more than 4.30 million cubic metres of storage capacity (approximately 27 million barrels) located across sixteen terminals.

Our facilities in Sweden, Denmark, Germany, the UK and Ireland occupy prime positions with access to highly developed transport links and transshipment services, as well as pipeline connections to local industry at some locations. We offer convenient and cost-effective services for the storage and handling of all kinds of products, from oils and chemicals to biofuels and technical wastes via ship, barge, road and rail without compromising on our quality of service.

As Group Reporting Manager you will be part of the Group Reporting team in Europe and will take ownership of the preparation of consolidated accounts along with related internal and external reporting. You will also be responsible for maintaining and improving internal controls in this area and significantly contribute to various projects involving financial systems and reporting.

We would expect the candidate to have a degree level qualification and be a qualified accountant (ACA, ACCA). The candidate should have strong IFRS financial accounting experience and have extensive experience of producing consolidated accounts under IFRS. Experience in HFM would be advantageous.

We expect that the personal attributes of all candidates reflect the Company's Core Values which are honesty and integrity, teamwork, pursuit of excellence, personal accountability and entrepreneurial spirit.

Inter Terminals offers competitive remuneration package to its employees, including DC pension, car allowance, private medical insurance scheme, life insurance, occupational sick pay, free on-site parking and access to employee assistance programmes.

This is a permanent position but temporary to permanent candidates are also welcome to apply.
