

Immingham

Competitive package

The Inter Terminals business is one of the largest independent bulk liquid storage providers in northern Europe, and the largest in Scandinavia, with more than 4.30 million cubic metres of storage capacity (approximately 27 million barrels) located across sixteen terminals.

Our facilities in Sweden, Denmark, Germany, the UK and Ireland occupy prime positions with access to highly developed transport links and transshipment services, as well as pipeline connections to local industry at some locations. We offer convenient and cost-effective services for the storage and handling of all kinds of products, from oils and chemicals to biofuels and technical wastes via ship, barge, road and rail without compromising on our quality of service.

The finance team at our Immingham terminals are about to embark on a transition project to implement Navision and Hyperion. As Management Accountant you will be part of the Immingham terminals' finance team and will provide support to the existing finance team members during this challenging project.

We would expect the candidate to have an accounting qualification (at least equivalent to AAT), but preferably be a qualified accountant (ACA, ACCA, CIMA). The candidate should have strong financial and management accounting experience, and good excel skills to include data manipulation. Experience in using Navision would be advantageous.

We expect that the personal attributes of all candidates reflect the Company's Core Values which are honesty and integrity, teamwork, pursuit of excellence, personal accountability and entrepreneurial spirit.

Inter Terminals offers a competitive remuneration package to its employees, including DC pension, private medical insurance scheme, life insurance, occupational sick pay, free on-site parking and access to employee assistance programmes.

This is a FTC of 12 months duration.

For further information and to apply visit <http://interterminals.com/careers/careers-uk-ireland/>

Application deadline: 29 March 2018

The information provided by you will be used by Inter Terminals to process your application and, if successful, in connection with your future employment with the Company. Any information held by the Company relating to you will be destroyed 12 months after the post has been filled. If the Company wishes to retain your information for future vacancies the Company will seek your express consent to do so. All processing of data will be in compliance with the Data Protection Act 1998.
